Assistant for Special Projects, Research and Reports

25X1A6A

Arrangement of

1. In accordance with your request made during my last visit with you, I have studied the space layout of  and have prepared drawings showing the space and locations of the various DD/I components. I have checked this out with representatives of OCI, OCR, OER, PIC and the security personnel. This then, is the considered DD/I thinking at this time.

25X1

2. In addition I have considered the necessary equipment required for emergency operation of the DD/I area in this building, and have made the attached tabulation.

3. Will you please have this reviewed at your earliest convenience and advise me of what may not be available nor procurable through your office.

4. The material available or procurable should be tagged for DD/I emergency use and its' space assignment noted.

5. The Assistant to DD/I (Planning) has a copy of the floor plan and will have a copy of this memorandum and attachments.

6. Please take the necessary steps to implement the requirements as listed.
